**SDCAS - CODE OF ETHICS** - signature required for NEW members

1. The collecting in any manner of archaeological material or data shall be done using contemporary scientific techniques, and shall have its express purpose the finding and dissemination of information relative to the history and prehistory of California.

2. Provisions shall be made for the housing of archaeological materials and data in accordance with accepted professional practices, and such material and data shall be made available to qualified individuals through accumulated field notes and records or to the general profession through the publication of findings.

3. The gathering of archaeological specimens or the destruction of archaeological sites for purpose of selling artifacts or personal acquisition shall in all cases be forbidden and shall subject member to expulsion proceedings.

All members will adhere to this Society's Code of Ethics and to state, federal, and international antiquities laws. I have read and agree to abide by the above Code of Ethics
